

In order to assist us with **long** range planning, it would be very helpful if you could give your input to the following questions:

1. What do court staff members need to know about the Clerk's Office?

2. What training needs do you believe Clerk's office employees have with regard to court functions?

3. Would you (or your staff) be interested in participating in county-wide or regional training with court staff? Yes____ No____

4. If yes to Number 3, would you be willing to help set up a local training?

5. Yes____ No____

6. If Yes to Number 4, please give your name and contact information

7. In the future, would you or your staff be interested in taking an online class or webinar on court functions, if such training resources were to become available?

Yes____ No____
